

TEACHER'S TOOL BOX

ACTIVITIES AND LESSON PLANS IN SEXUALITY EDUCATION

CONFORMS TO MEES'S CURRICULUM OBJECTIVES, THEMES, AND LEARNING CONTENT FOR SECONDARY I-V

IN 2018, THE QUEBEC MINISTRY OF EDUCATION MADE SEXUALITY EDUCATION MANDATORY FOR ALL STUDENTS FROM K TO SECONDARY 5.

The Sexual Health Network of Quebec (SHNQ) and AIDS Community Care Montreal (ACCM) have teamed up to combine our sexual health resources to create the Teacher's Tool Box. This box consists of printed, user-friendly sexuality education activities and lesson plans for the secondary level that follow the MEES themes and learning content for simple implementation in any subject.

THE COMPLETE **TOOL BOX** IS DIVIDED BY GRADE LEVEL AND THEME;

EACH BOX CONTAINS:

- An overview of the MEES program, by grade, theme, and learning content
- A classroom teaching activity kit designed for each topic (19 in total), all plasticised
- Additional lesson plans for core subjects (ERC, science, English, history, and math)
- A condom demonstrator with condoms
- A school poster for SextEd, a sexual health text line for youth, and for the Jeunes Queer Youth program, which funds GSAs to create sexual health projects by-and-for queer and trans students

PRICE: **\$1800**

The Teacher's Tool Box is only available in English at this time. The boxes are accessible to ALL schools in Quebec via the Sexual Health Network of Quebec website: www.shnq.ca

Working together to teach our kids!

For training for teachers on how to implement the sexuality education program, please contact Stephanie at the Sexual Health Network of Quebec Website: info@shnq.ca

***Part of the proceeds of each Tool Box will help support both the Sexual Health Network of Quebec and AIDS Community Care Montreal in their ongoing efforts in education and prevention.*
